PRINCIPAL'S MESSAGE

I would like to say congratulations to all the students who participated in the Talent Quest heats last week. Performing in front of your peers can be a daunting experience. You all showed that you were brave and strong. We look forward to the final this Friday.

The NSW Department Of Education has provided mosquito repellent for our students. A bottle has been sent home today with our newsletter, along with some information provided by the department.

As we approach the last three weeks of this term, we have many activities planned for our students. We have the Christmas Parade this Friday. We hope to see as many students as possible participate in this community event.

Have a Great Week! *Mrs Nicole Livermore*

SCHOOL SORES

We have had a few cases of school sore (Impetigo) at our school.

Symptoms are small red spots that change into blisters that fill with pus and become crusted; usually on the face, hands and scalp.

If your child is diagnosed with school sores you will need to keep your child at home until antibiotic treatment starts. Sores should be covered with watertight dressings.
