## PRINCIPAL'S MESSAGE

It was great to see our families join our whole school assemblies last week. We hope to see more families this week to help us celebrate the success that our students are recognised for during the assembly.

Doctors, educators, social workers, accountants, engineers, construction workers, administrators and people in a wide variety of professions and businesses participate in professional development to learn and apply new knowledge and skills that will improve their performance on the job. In education, research has shown that teaching quality and school leadership are the most important factors in raising student achievement. At MPS our staff are continually expanding their knowledge and skills to implement the best educational practices for our students. This is done through professional learning staff meetings, teacher collaboration time and external researched based professional learning. Our staff love to learn to give back to our school.

Have a Great Week!  
Mrs Nicole Livermore

## IMPORTANT INFORMATION FOR PARENTS AND STUDENTS

The department recognises that family breakdowns take place. Unless there is formal notice otherwise, it is assumed that both parents have shared and equal parental responsibility for their children and both parents have been involved in decisions regarding their children's education. This also means the school recognises that each parent has equal duties, obligations, responsibilities and opportunities relating to matters involving the school.

If changes occur in your family relationship which might impact on the relationship between the school and your family, you should advise the school immediately. This includes providing copies of any relevant court orders.

**P.O.L.**  
FOCUS

THIS IS HOW  
WE SHOW  
RESPECT!

- \* Right thing, right time, right place
- \* Walk quietly past other classrooms
- \* Move to the assembly area quietly
- \* Comprise with others

**BE RESPECTFUL**

# ... and for the results!!

We were very unsure based on weather reports whether we would get to run our annual Cross Country Races on our planned Carnival Day, but luckily, with a bit of tweaking we smashed through the races, and made it before the rain interrupted our plans. The students were absolutely amazing and showed their ability to work flexibly and as a part of the successful Middleton Team to get the races completed in record time! All of the students participated in the races with smiles and enthusiasm, and contributed to a fantastic Middleton Cross Country event!

Thanks so much to our wonderful parent helpers, Maryann, Grant, Salva and Lionel! Without you, our carnival wouldn't have been able to run!

Thanks from all the staff, students and the school community, as we know without parent support, events like this cannot happen for our students!!
